

## GET CHEERING NEWS

ENCOURAGING LETTERS FROM  
MANY SECTIONS OF THE STATE.

## HUTCHINS TO SPEAK HERE TO-NIGHT.

He Will Be Given a Rousing Reception  
at Old-Market Hall—Mr. Richardson to Address the Central  
Bryan Club—Gossip.

Public interest in the Daniel meeting at the Academy last night overshadowed everything else in local politics yesterday. There were the usual busy scenes about State headquarters, but from a news standpoint there was not very much of interest going on. Excitement and enthusiasm increase as the election draws near, and the campaign managers of all parties find plenty to occupy them, day and night. The correspondence grows heavier every day, and there is still a great demand for campaign literature, which is being sent out in large quantities. Among the callers at Democratic headquarters yesterday were Senator James N. Stubbs, of Gloucester, and Hon. L. D. Yarrell, of Greenville, both of whom are doing effective campaigning, and full confidence of success.

## ENCOURAGING LETTERS COMING IN.

Secretary Butler is receiving cheering letters from all sections of the State. He gets scores of them daily, nearly all of an encouraging character. Hon. R. T. Irvine writes from Big Stone Gap, that everything looks encouraging; Mr. James M. Beckman, of Culpeper, expects that county to go Democratic by from 500 to 700, and other letters are of a like nature.

This is what County-Chairman Lee, of Lancaster, says: "The outlook in the Northern Neck was never more promising. Our congressional ticket will run far ahead of what it has been in previous years, and if this section be taken as a criterion, Hon. W. A. Jones's majority will surpass any former one. The national ticket will be but a very little behind, thanks to the unswerving canvass of our able congressional committee, who, entirely oblivious of self, is hitting hard for the noble Bryan. The negroes, for the most part, are personally favorable to the Democratic ticket, for the stimulus of Hanna's barrel they would be largely for us."

Dr. J. E. Map, of Accomac, writes: "Old Accomac is on the warpath, and harness, up and doing. We are fully organized by way of committees, clubs, etc., and the canvass is one of wonderful enthusiasm and determined earnestness. We are confident of success, and roll up our usual Democratic majority."

A prominent Southside Democrat writes: "I went through Mecklenburg last week, and found the county finely organized and in good shape. There is really a good chance of the county going for Bryan. The Ninth is in good shape, and will elect Williams by 3,000 majority."

CUMBERLAND AND POWHATAN. Mr. C. M. Wallace, Jr., and Dr. Blanton addressed a meeting of the Bryan Democrats in the Randolph District of Cumberland county Tuesday night. The meeting was under the auspices of the Bryan and Sewall Club. Five gold men were converted at the meeting. They were brothers and their father is a gold man. After the speaking the brothers joined the club, and announced their intention of voting as they had intended, not doing before. Every Democrat in this precinct is registered.

Mr. W. G. Pilkinton, of Powhatan county, was at headquarters yesterday. He reports the organization of a Bryan and Sewall club at Dorset's Station, on Saturday night, with sixty members. Dr. J. B. Bailey is president and Mr. J. E. Deane secretary. Mr. Pilkinton addressed the meeting, and the meeting was well organized, and working like beavers for victory.

Hon. Thomas B. Murphy is satisfied that Bryan will win. He said yesterday: "I have done my own figuring, and am satisfied that Bryan will win. I give him two-thirds of the farmers' vote, and one-third of the city vote. The city vote is sufficient to elect him. Outside of New England Mr. Bryan will get three-fourths of the farmers' vote, and in the cities will get as many votes as McKinley."

SOME BETTING HERE. On Monday night a gentleman, who was in the lobby of the Hotel, offered to bet \$25 even money that this city would not go Democratic by 500 majority. Another gentleman said that he would take the bet, but he had only \$10, which he would put up as a forfeit, and that he would supply the other \$15 the next day. The man with the \$25 refused to accept such a proposition, and no bet was made.

A notice was posted in Ford's Hotel lobby Tuesday night, stating that a guest had \$125 to wager in sums of from \$10 up to \$100, and that he would accept the bet, and that a Baltimore drummer had the money to wager, and that his firm—a hardware concern—had given it to him.

It is understood that a good deal of money is being placed here on the presidential contest. TWO BIG MEETINGS TO-NIGHT. There will be two big Democratic meetings to-night. Hon. Sullivan Hutchins will speak at Old-Market Hall, and Hon. C. Richardson will address the Central Bryan and Sewall club at their weekly meeting at Sanger Hall.

The Old Market Hall meeting will be held under the joint auspices of the Old Dominion and Union Democratic clubs, and bids fair to be one of the best of the campaign. Mr. Hutchins will speak, and will be met by a delegation of Democrats headed by Captain John A. Curtis. Mr. Hutchins is an enthusiastic Democrat, and has a fine reputation as a speaker. Senator Echols, of Augusta, writes of this gentleman, "Mr. Hutchins is a man of great force, and he made a 'dandy' speech. We had a first-rate crowd for him, and he commenced speaking at 10 minutes after 8 and stopped at 12 minutes to 11, leaving the crowd cheering like demons. 'Go on! Go on!' We will listen to you all night. It was the best gathering I have seen yet, and I know that his speech did a great deal of good."

The address of Mr. Richardson is looked forward to with special interest. He was originally inclined to the gold idea, but, after giving the subject careful thought and study, reached the conclusion that bimetalism is best for the country. Mr. Richardson was to have spoken last Thursday night, but he was engaged in

Highest of all in Leavening Power.—Latest U. S. Gov't Report.

Great Selling.  
Fast Fortunes Come to  
The People's StoreBetter buying than in years past.  
Better and better, and more unlike  
other stores.

The Charge Not Sustained. Waverly Edwards (colored) was before Commissioner Fiesinger yesterday charged with conducting a retail liquor business without having paid the required tax. Charles Scott, also colored, was arrested, on suspicion, while carrying a big bag through the city on the 14th of October. The bag, which was found in Scott's possession, contained two large bottles of whiskey, which he said he bought from Waverly Edwards. Mr. Smith represented the prisoner and established an alibi for him, consequently the case against Edwards was dismissed. Scott and two police officers were the only witnesses.

Question of Fire Risk. Mr. R. H. Munford left the city last night for New York. In October last, while the steamship "Yorktown" was unloading freight at her wharf at Portsmouth, a fire consumed the wharf, and so much of her cargo as had been deposited thereon. The question of the liability of the marine or fire insurance companies for the property destroyed was submitted to arbitration. Judge J. B. Munford goes to appear as counsel for the fire companies in the arbitration.
